

Immunization #1

Submit the annual kindergarten immunization report by November 30 (same date each year).

Definition: Kindergarten reports are required every year by November 30. In order to meet the criteria, the report must be submitted on time and show that all kindergarteners either have completed all immunization requirements or have claimed an exemption under the current Immunization Rule for Students.

Assignments

School Coordinator Assignments

- Make sure the report is complete
- Provide information and assistance to parents of children who have not been immunized and have not been claimed an exemption
- If needed, contact the Utah Immunization Program for more information on the current Immunization Rule for Students
- Submit the immunization report by November 30 (same date each year)
 - Or, find the person responsible for submitting the report at your school and make sure it is done by November 30
